

schülke -†

Mild and nourishing bath oil for sensitive, vulnerable and dry skin with a pleasant and fresh scent.

esemtan[®] bath oil

Our plus:

- keeps the skin smooth and resilient
- based on natural soy oil
- alleviates itching
- with valuable vitamin E

Product features

- very fine and highly effective emulsion
- only leaves behind slight marks in the bathtub
- especially non-irritant vegetable oil (soy oil), not occlusive

Application areas

- for nourishing full or partial baths
- especially appropriate for very dry, itching or scabby skin
- also recommended for aging skin

Application methods / indications

Add at least 20 ml to each full bath (for partial baths accordingly less). Bath temperature should be 32 to 38 °C, and the bath should last for 10 to 15 minutes.

Thorough drying after bathing should be avoided.
