

## **Don't forget to rub your hands!**

Wearing gloves never replaces  
hygienic hand disinfection.

## **Clean hands save lives!**

Wearing gloves never replaces  
hygienic hand disinfection.

## Have you rubbed your hands?

Wearing gloves never replaces hygienic hand disinfection.

## **Do you really need me?**

Not every task requires gloves. Perform hygienic hand disinfection and avoid waste.

## **Do you really need me?**

Make sure you use disposable gloves only when indicated.

## **Do you really need me?**

Consider whether gloves are indicated for your task.
