wash lotion based on selected moisturising agents

octenisan® wash lotion

Our Plus

- mild and gentle wash lotion for the skin and hair
- for whole body washing against MDRO
- suitable for all skin types
- skin-neutral pH value
- free of artificial colours and perfumes

Application area

- for whole body washing (incl. hair washing and showering) that is gentle to the skin
- suitable for all skin types, even skin that is sensitive to soap or susceptible to allergies
- for mild and gentle washing of patients prior to surgery
- especially suitable for use on intensive care and infection wards

Product Profile

Thanks to its balanced formulation of various active ingredients incl. Octenidine and Allantoin octenisan® has good skin-care properties.

Instructions for use

For washing, apply octenisan® wash lotion undiluted to a clean, damp washcloth. Rub onto the areas of the body to be cleansed, observing the required 1 min contact time* then wash off. For showering and/or hair washing simply use octenisan® wash lotion in the same way as commercial hair and skin washing preparations.

* tested according to EN 12054

Can be used for a limited period of time in children over 3 months of age for preoperative whole body decontamination.

octenisan® 5 day antimicrobial wash protocol

octenisan® wash lotion
