

Colour-free body care lotion for normal skin

esemtan® skin lotion

Our Plus

- nourishing & moisturizing
- fast absorbing
- easy to spread
- perfectly compatible with desderman® care and desmanol® pure
- colourfree and pleasant scent
- dermatologically tested

Application area

- for application on clean and dry skin
- for care of normal skin
- suitable for hand and body care

Product Profile

- Oil-in-water emulsion
- contains Jojoba oil, which preserves the natural acid mantle (hydrolipidic film) of the skin through a balanced supply of fat and moisture and leaves no unpleasant greasy film
- contains bee wax, which has skin protecting and moisturizing features

Instructions for use

Apply product and rub into the skin.

For daily hand and body care.

To ensure a hygienic use, the RKI recommends the use of dosing pumps or dispensers.

- For hygienic reasons, the product should be extracted via pump or dispenser
- Rub the product gently into clean/dry hands
- Apply the product to the back of the hand and spread the cream with the back of the other hand
- Afterwards, apply the cream to the fingers also, and finally to the inside of the hands
- While rubbing it in, pay special attention to the areas between the fingers and to the nail beds
