

Soap-free wash lotion with light scent

esemtan® wash lotion

Our Plus

- soap-free wash lotion on a base of skin-friendly surfactants
- gentle on skin
- Allantoin protects the skin from dryness und irritations
- with a subtle scent
- dermatologically tested

Application area

- for nourishing hand and body cleansing
- wash lotion before surgical and hygienic hand disinfection
- for mild and gentle washing of patients before surgery

Product Profile

- soap-free, skin-friendly detergent substance (Syndet)
- contains Allantoin which has a soothing effect on the skin, moisturizes and supports cell renewal

Instructions for use

Hand washing: Moisten hands with water. Put approx. 2 - 3 ml into the palm, foam it up with water, wash it, rinse it well and dry it. Generally ensure a thorough drying before the application of hand disinfection.

Partial or full baths: Give required quantity (about 20 ml to 100 l water) to the water inlet.

Showering: Use in the shower similar to soap or commercially available washlotion.

Product data

INGREDIENTS:Aqua, Sodium Laureth Sulfate, Sodium Chloride, Lauryl Glucoside, Allantoin, Phenoxyethanol, Sodium Benzoate,

Parfum, CI 42090, CI 47005, Lactic Acid, Sodium Hydroxide
