

Skin-friendly colour- and perfume-free wash lotion

## sensiva® wash lotion

### Our Plus

- soap-free wash lotion with skin-compatible surfactant
- gentle on skin
- Allantoin protects the skin from dryness and irritations
- colour-, perfume and lanolin-free
- dermatologically tested

### Application area

- for nourishing hand and body cleaning
- for hand cleaning before surgical and hygienic hand disinfection
- for use in the food processing industry

### Product Profile

- soap-free, skin-friendly detergent substance (Syndet)
- contains Allantoin which has a soothing effect on the skin, moisturizes and supports cell renewal

### Instructions for use

#### Hand washing:

Moisten hands with water. Apply approx. 2 - 3 ml into the palm, foam it up with water, wash it, rinse it well and dry it. Generally ensure a thorough drying before the application of hand disinfection.
